

# Adopt a USA Luge Athlete

The Adopt-An-Athlete program is an opportunity to support athletes within the USA Luge Team.

The USA Luge National Team is not fully funded through the USOC. Therefore, athletes always welcome additional financial support.

100% of the funds donated through this program will go to the designated athlete. This support will help offset additional costs including training and travel as the athlete focuses on the competition.

You can also work with a local school/organization that you are connected with and partner up to Adopt-an-Athlete, too.

For more information, or to submit this form, please contact Gordy Sheer, Director of Marketing at USA Luge.
